(CSDR) Focus Group Meeting

December 4, 2013
8:30am to 4:30pm
The Institute for Defense Analyses (IDA)
4850 Mark Center Drive, Alexandria, VA, 22311

The Defense Cost and Resource Center (DCARC) will be holding a Cost and Software Data Reporting (CSDR) Focus Group meeting on December 4, 2013. The CSDR Focus Group provides an opportunity for both government cost and software data users and industry data providers to interact and discuss emerging policy enhancements, business process improvements & IT product updates with members of the DCARC office's operations and IT staff. This meeting will also feature a new topic area: An Overview of the new Cost Assessment Data Enterprise (CADE) project, presented by CAPE senior analysts. Please contact me (baronin@ida.org, 703-575-1418) and Tom Coonce (tcoonce@ida.org, 703-575-6634) to RSVP or if you need any additional info.
